

Mineral exploration reports (WAMEX)

Citation

Unique ID	8069713A-A594-48E6-BFE2-18C1DDA76ABE
Title	Mineral exploration reports (WAMEX)
Jurisdiction	Western Australia

Description

Abstract	Mineral exploration reports (WAMEX online) This is the spatial data for the public, open file, reports contained in the WAMEX database. The WAMEX (WA Mineral EXploration) database contains the statutory mineral exploration reports submitted by companies to the Department as part of their reporting commitments on mining leases.

Dataset Status

Status	onGoing
Maintenance and Update	continual

Access

Available Format Type(s)	ArcGIS, MapInfo
Available Format Version(s)	ArcGIS 9.3, MapInfo 10
Access Constraints	copyright
Linkage	http://www.dmp.wa.gov.au/datacentre/
Application Profile	Data and Software Centre
Function	download

Data Quality

Lineage	The data is collated from statutory exploration reports submitted by companies on mining tenements and from Tengraph. The data was migrated in 2008, at which time the shape files were first captured from Tengraph. Tengraph currently holds the shape files for all tenements registered from 1991 on, therefore most WAMEX reports, submitted after 1991 should have accurate shape files associated.
